Drive with confidence. Live with style.

**Authentic presence: Tough meets gorgeous.**

The bold design embodies functional beauty, blending advanced ergonomics, intuitive operation and refined features to provide a truly engaging driving experience.

**Combination meters:**

The easy-to-read meters and a 4.2-inch color TFT (Thin Film Transistor) multi-information display provide the driver with vital vehicle information at a glance. An Eco Driving Indicator supports eco driving.

**Auto air conditioner:**

The highly efficient system maintains a comfortable cabin temperature, and at the same time contributes to the excellent fuel economy.

**Advanced infotainment system:**

The speakers are strategically positioned to provide excellent sound in all seats. The large touch-screen display enables easy touch operation of switches and controls.

**Smart Entry & Start System:**

When carrying the Electronic Key, you can lock/unlock the doors and start/stop the engine.

**Rear auto air conditioner:**

Vents in the ceiling above the second and third row seats ensure excellent cooling. The control panel in the ceiling above the second row seats enables convenient operation.

**Elegant comfort: Space you'll love to share.**

Quality details enrich the quiet ride and spacious comfort of the cabin, creating a sophisticated environment for your driving pleasure.

**Front seats:**

The sporty shape with firm sides to provide excellent hold when driving is complemented by the comfortable length of the seat cushion.

**Easy access:**

A one-touch tumble function on the second row seats provides easy access to the third row seats.

**Seating arrangement:**

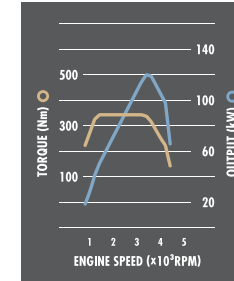

The spacious 7-seater SUV provides convenient seat configuration flexibility that satisfies the needs of a diverse range of lifestyles.

**Dynamic performance: Exhilarating power deepens driving pleasure.**

Powerful acceleration and outstanding handling that actively feed your desire for driving excitement on the road are balanced by excellent fuel efficiency.

**1KD-FTV**

3.0-liter VN Turbo Diesel with Inter Cooler  
120kW/3400rpm  
360Nm/1600-3000rpm

**Suspension:**

The front and rear suspension is optimized to provide excellent stability and control.

**5-speed automatic transmission:**

The gear ratios were optimized to help maximize the engine's potential, with excellent low speed torque and outstanding fuel economy.

**Robust to the core: Only a true SUV can inspire off-road adventures.**

Beneath the sophistication, the robust frame and advanced off-road driving technologies form the core of the outstanding rough terrain capabilities.

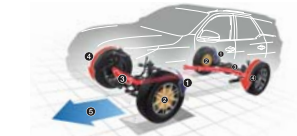

**Frame structure:**

The high rigidity structure contributes to exceptional toughness in harsh environments, as well as excellent handling performance, a quiet smooth ride and reassuring feeling of safety.

**Part-time transfer:**

Highlighting driver-friendly operation, you can switch between 2WD and 4WD by simply turning the dial switch, even while moving.

- ① Wheel slip
- ② Brake force applied
- ③ Engine torque transmitted
- ④ Drive torque
- ⑤ Hill climb or escape when stuck

**Active Traction Control System (A-TRC):**

Activates the moment the risk of wheelspin is detected to help enhance the ability to grip the road and maintain traction.\*

**with Hill-start Assist Control**

without Hill-start Assist Control

**Hill-start Assist Control (HAC):**

Helps to prevent the vehicle from rolling backward when starting on a steep or slippery incline.\*

\* The system may not operate properly depending on road conditions or other factors. Be sure to read the Owner's Manual carefully. Note: Please inquire at your local dealer for details on the availability of features.

## Exceptional convenience: Complement your active lifestyle.

Versatile seating arrangements and an abundance of storage spaces quickly and easily accommodate the changing demands of a mobile lifestyle.

### Upper box:

This convenient box features integrated air conditioning vents to keep drinks stored inside cool or warm.

### Center armrest:

The comfortable armrest in the second row seats integrates handy push-open cup holders in the front.

### Luggage space storage:

The third row seats easily fold up with a single pull to provide both flexible and maximum luggage space.

### Power back door:

To make it even easier to load and unload, the powered back door can be opened and closed without the driver needing to leave their seat or be controlled from the rear of the car.

## Peace of mind: Reassuring strength and reliability.

Combining the strength and reliability of a true SUV with advanced active and passive safety measures contributes to peace of mind, on-road and off-road.

### Headlamp:

Bi-Beam LED headlamps provide excellent distribution of light, contributing to good visibility at night. Daytime Running Lamps (DRL) provide vehicle recognition while driving during the day.

### Fog lamp:

The fog lamps further enhance visibility of the road during adverse weather conditions.

### 7 SRS airbags:

The Fortuner is equipped with SRS driver airbag, SRS front passenger airbag, SRS knee airbag (Driver's seat), SRS side airbags (Front seats) and SRS curtain shield airbags (Front and rear seats).<sup>4)</sup>

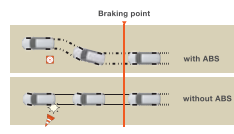

### Rear view camera system:

Supports smooth reversing operations when parking at a 90-degree angle or parallel parking, showing the rear view taken by a camera integrated into the rear of the vehicle on the display.<sup>5)</sup>

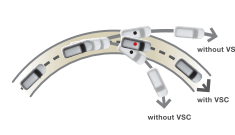

### Impact absorbing structure:

Impact absorbing measures include the front bumper, hood, cowl and front fender brackets.

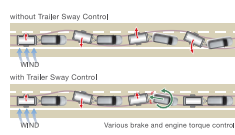

**Anti-lock Brake System (ABS) with Electronic Brake-force Distribution (EBD):**  
ABS helps to prevent the wheels from locking up when braking on slippery roads, or during sudden braking. EBD optimizes the distribution of braking force in various driving conditions.<sup>6)</sup>

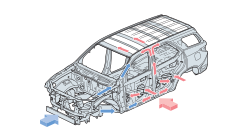

### Vehicle Stability Control (VSC):

Helps prevent front or rear wheel slip while cornering by reducing engine power and applying brake force to the wheels that require it.<sup>6)</sup>

### Trailer Sway Control (TSC):

When towing a trailer, the system detects trailer sway and helps to suppress it by controlling braking and engine output.<sup>6)</sup>

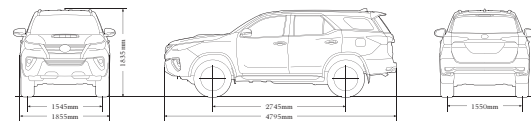

### Crash safety body:

Comprised of a high integrity cabin with front and rear crumple zones that help absorb impact energy in a collision.

## SPECIFICATIONS

DIMENSIONS & WEIGHT			
Overall length	mm		4795
Overall width	mm		1855
Overall height	mm		1835
Wheelbase	mm		2745
Tread	Front	mm	1545
	Rear	mm	1550
Ground clearance	mm		279
Seating capacity			7
Interior length x width x height	mm		2487 x 1478 x 1103
Curb weight	kg		2105 - 2135
Gross vehicle weight	kg		2715
ENGINE			
Engine model code		1KD-FTV	
Engine type		3.0-liter VN turbo diesel with inter cooler	
Piston displacement	cc		2982
Bore x stroke	mm		96.0 x 103.0
Compression ratio			17.9
Max. output (SAE net)	kW(PS)/rpm		120 (163)/3400
Max. torque (SAE net)	Nm/rpm		360/1600-3000
Fuel system		Direct fuel injection with common rail	
Fuel type		Diesel	
TRANSMISSION			
Transmission type		5-speed automatic	
CHASSIS			
Steering gear type		Rack & pinion	
Suspension	Front	Double wishbone (coil springs with a stabilizer bar)	
	Rear	4-link with lateral control rod (coil springs)	
Brakes	Front	Ventilated discs	
	Rear	Drum	
Minimum turning radius (tire)	m		5.8
Tires			265/60R18
Fuel tank capacity	liters		80

STANDARD EQUIPMENT (EXTERIOR)		
Headlamps		Bi-Beam LED
Daytime running light		With (LED)
Radiator grille		Chrome
Rear spoiler		With
Roof rails		With
Electrically powered back door		Switch or remote control (jam proof)
Rear combination lamps		LED
STANDARD EQUIPMENT (INTERIOR)		
Steering	Column	Tilt & telescopic
	Wheel	Wooden + leather*
Anti-theft system		Immobilizer + security horn
Advanced infotainment system	Features	Display audio (AM + FM + DVD + AUX + USB)
Air conditioning	Speakers	6 speakers
	Front	Front auto air conditioner
	Rear	Rear auto air conditioner
Seats	Front	Sport-type (Driver's 6-way power seat)
	Second row	60:40 split-type
	Third row	50:50 split-type (space-up seats)
	Material	Leather*
Speedometer		Optitron (km/h)
Steering switches		With switches
Starting system		Push start system
Cooler box		With
Accessory connector		Front: DC12V (2) + rear: DC12V
SAFETY SYSTEM		
Anti-lock Brake System (ABS) with Electronic Brake-force Distribution (EBD)		With
Vehicle Stability Control (VSC) Active Traction Control (ATC)/Hill-start Assist Control (HAC)/Trailer Sway Control (TSC)		With
SRS airbags		7 SRS airbags (driver 6 front seat passenger airbags, driver seat knee airbag, side and curtain-shield airbags)
Seatbelts	Front	3-point ELR x 2 (with pretensioner and force limiter)
	Second row	3-point ELR x 3
	Third row	3-point ELR x 2
Clearance 6 back sonars		With
Rear view camera system		With

\* Other material may be partially used.

<sup>4)</sup> The SRS (Supplemental Restraint System) airbags are supplemental devices to be used with the seatbelts. The driver and all passengers in the vehicle must wear their seatbelts properly at all times. Never install a rear-facing CRS (Child Restraint System) on the front passenger's seat. For a forward-facing CRS, it is recommended you use it in the second row seats. Please do not use accessories for the seats which cover the parts where the SRS side airbags should inflate. Such accessories may prevent the SRS side airbags from activating correctly, causing serious injury (Toyota genuine seat covers are specifically designed for models equipped with the SRS side airbags. To find out about availability in your area, please inquire at your local dealer). The photo shows all the SRS airbags activated for display purposes only (the SRS side and curtain shield airbags only inflate on the side of the collision in an actual accident). For details on these and other important safety features, be sure to read the Owner's Manual carefully.  
<sup>5)</sup> The rear view camera system shows a limited area. To help ensure safety, be sure to look at your surroundings before you proceed. <sup>6)</sup> The system may not operate properly depending on road conditions or other factors. Be sure to read the Owner's Manual carefully.
