A NEW JOURNEY AWAITS

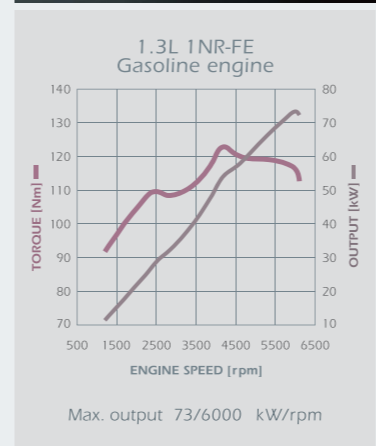

YOUR EXCITEMENT  
PROVES THE STYLE

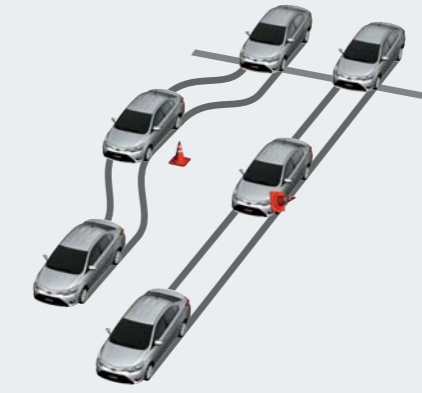

VIOS' quality and style are simply unique. That's something you will treasure every day.

The VIOS engine generates ample power along with high fuel efficiency and low emissions. Add a Continuously Variable Transmission (CVT), which delivers smooth, effortless acceleration, and you have an unbeatable combination for eco-friendly driving performance.

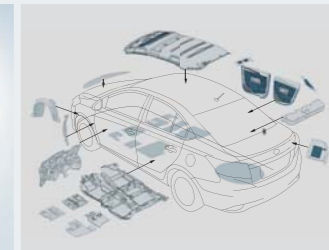

## RELIABLY ENGINEERED BOTH FOR PERFORMANCE AND A SENSE OF SECURITY

Anti-lock Brake System (ABS) with Electronic Brake-force Distribution (EBD) helps maintain vehicle stability and driver control when braking, and includes a Brake Assist function that increases braking force when the brakes are applied suddenly to make an emergency stop.

SRS airbags are adopted for the driver's and front passenger's seats. In addition, the body structure efficiently absorbs and distributes energy from frontal and side impacts, while adoption of a high-strength cabin structure helps reduce cabin deformation. The body also mitigates impact energy in the event of a collision with a pedestrian.

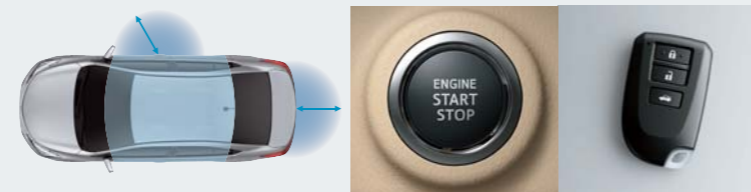

The suspension is designed to reduce vibration and enhance ride comfort. In addition, sound absorbing and vibration damping materials are adopted throughout the entire body, and acoustic glass with a three-layer structure is adopted for the windshield, helping reduce wind and road noise. These measures are part of an exhaustive effort to create a quiet and comfortable cabin.

# SPACE AND USABILITY ARE KEY TO EXTRA COMFORT

- 1 Audio system with USB & AUX ports.
- 2 Steering wheel-mounted audio switches.
- 3 3-meter cluster with multi-information display.
- 4 A stylish, easy to use auto air conditioner.

Lets you lock and unlock the doors, start the engine and unlatch the trunk, just by carrying a Smart Key in your pocket.

Folding down the rear seats with 60:40 split option opens up extra luggage capacity. Making enough space to accommodate all kinds of cargo.

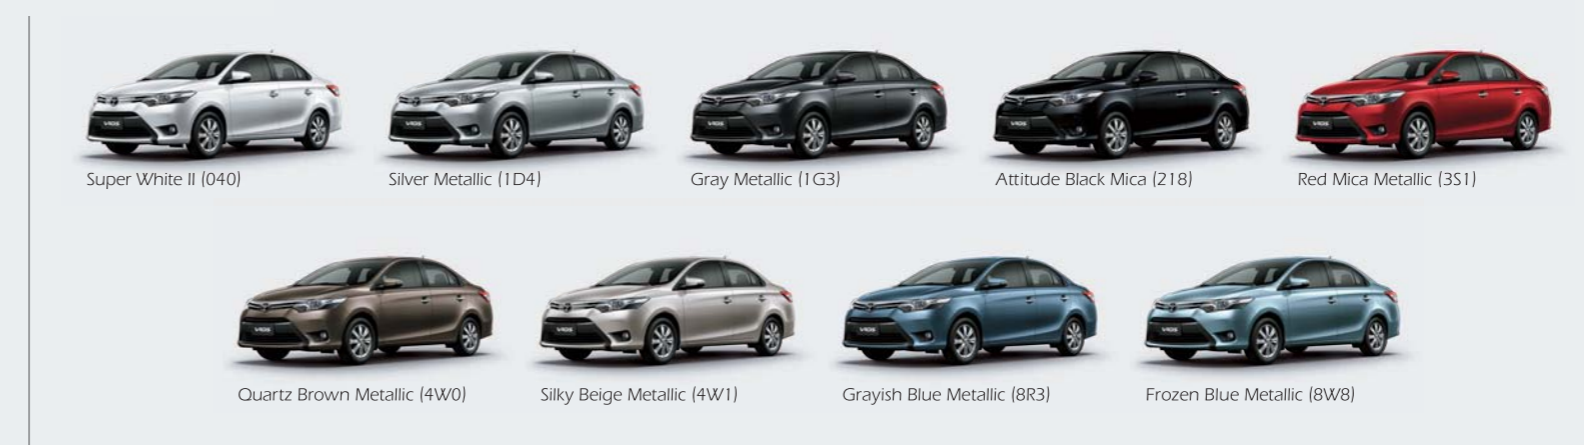

- 1 Driver side front cup holder
- 2 Passenger side front cup holder
- 3 Instrument panel center tray
- 4 Rear console box
- 5 Seatback pocket
- 6 Rear armrest cup holders

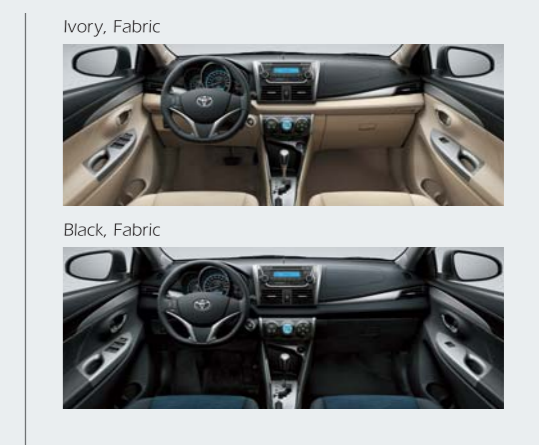

Wide front/rear seat couple distance and an almost flat floor in the rear contribute to superior ride comfort for all onboard.
