EXTERIOR DESIGN

Fusing elegant sophistication with a powerful presence, Innova's premium comfort and outstanding performance help deliver a fulfilling ride for the whole family.

Front Design

The trapezoidal grille has a distinctly three-dimensional form, creating an appearance of massiveness and stability in front view. Additionally, the front bumpers are shaped so that they appear to exert tension towards the rear. The front design clearly expresses a sense of luxury and assertiveness.

Rear Design

The L-shaped, eye-catching rear combination lamps with aero-stabilizing fins are positioned higher up, giving the rear design a look of stability. The shark fin antenna augments the innovative look.

Wheels

Exclusive, shiny alloy wheels are available, enhancing the high-quality looks from the ground up.

Outer Mirrors

Features welcome lamps that enhance a touch of class.

INTERIOR DESIGN

The driver-oriented instrument panel spreads from the driver's seat to the sides, creating a cockpit with a substantially open feel. Ornamentation has been applied to many areas, reflecting a refined sense of luxury.

Comfortable Seating for Eight Occupants

A spacious interior with room for up to eight occupants.

Ambient Lighting

Air Conditioning

Storage Spaces

Abundant storage spaces accommodate the diverse demands of an active lifestyle.

Audio System

Display audio system with a wide touch screen comes with DVD player and AM/FM/CD/USB/AUX plus Bluetooth® connectivity.

Steering Wheel Switches

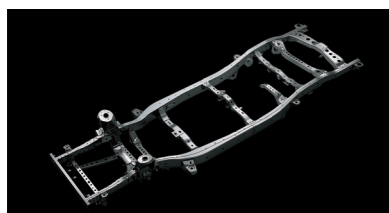

The 4-direction switch integrated in the steering wheel makes it easy to adjust the multi-information display among other functions.

Seat Configuration

The seats can be arranged to carry a variety of loads. For example, the second- and third-row seatbacks can be folded to create a large space for carrying long items and expand the luggage space.

PERFORMANCE

Frame Structure

The high-rigidity structure contributes to exceptional toughness under harsh road conditions as well as excellent handling performance. It also helps produce a smooth, quiet ride and a reassuring feeling of safety.

1TR-FE Engine

2.0-liter petrol engine
Max. Output: 102kW / 5,600rpm
Max. Torque: 183Nm / 4,000rpm

6 Super ECT (Electronically Controlled Transmission)

A super intelligent 6-speed automatic transmission produces outstanding driving performance and fuel efficiency.

Suspension

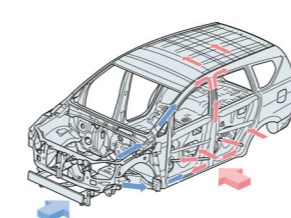

The front and rear suspension is optimized to provide excellent stability and control, with a flat smooth ride.

Drive Mode Select Switch

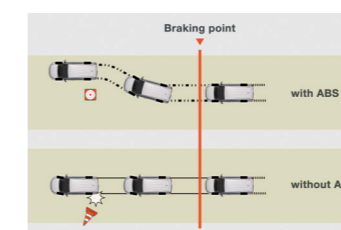

Allows the driver to select ECO mode for optimum economy or POWER mode for enhanced acceleration.

SAFETY

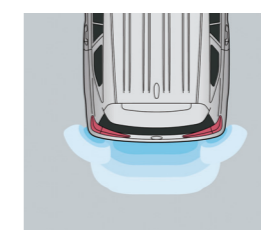

Crash Safety Body

Comprised of a high integrity cabin with front and rear crumple zones that help absorb impact energy in a collision.

Anti-lock Brake System (ABS) with Electronic Brake-force Distribution (EBD)

Anti-lock Brake System (ABS) with Electronic Brake-force Distribution (EBD) helps maintain vehicle stability and driver control when braking.

Parking Sensors

While backing out of a car park or garage, ultrasonic sensors detect obstacles as the vehicle approaches them and alert the driver with a buzzer and on the multi-information display.

7 SRS Airbags

Innova is equipped with an SRS driver airbag, an SRS front passenger airbag, SRS side airbags for the front passengers, SRS curtain-shield airbags for front and rear passengers, and an SRS knee airbag for the driver.
